FIG. 1 is a perspective view of a multi-layered assembly 130. The assembly includes a top layer 132 and a stack of lower layers 138a through 138f. Each layer 138a-f has a top surface 140 and a bottom surface 142. The layers are secured by fasteners 148. A side view of the stack shows the alternating layers 140 and 142.
